Guided Reading Resource 11 – Plot and Structure (Rationalise what is happening)

Chapter 11 – Opening: Professor Schwarzkopf is working back at Roswell. He manages to open the pod.

- Professor Schwarzkopf is old and retired, so why do you think he is helping the OSS? Give reasons to support your answer.
- Why is it important for the OSS to open the pod? What are they hoping to find?
- Do the OSS and Professor Schwarzkopf have different motives for opening the pod?

In a group of four
Professor Schwarzkopf is old and Jean Kurtz is young. Their opinions are different. How are they different? Why are they different?

Think of adults in your life. How is your generation different from theirs? (e.g. music, hobbies, clothes, food, social life, use of computers)

Act out a play that shows the differences between your generation and your parents' generation.
