

# AN EXTRA-ORDINARY BEGINNING

## Guided Reading Resource 15 – Plot and Structure (Relate to your own experience and pass judgements)

*Chapter 15 – The Thaw:* Eric and Ursula start being friendly towards each other.

- Think back over friendships you have made. What things made you friends with someone? Did you have something in common? What was it? Has this been the same for all your friends?
- This is the first time in book when Ursula and Eric are friendly towards each other. Is this believable? Support your answer with evidence from the book.

Prepare a PowerPoint/intranet presentation **with a partner**. Your presentation should be a map out Eric and Ursula's relationship from when they first met until the end of this chapter. Restrict your PowerPoint to no more than 7 slides.
