Guided Reading Resource 19 – Plot and Structure (Middles of books)

Chapter 19 – Back from the Dead: Erica and Ursula go to a post office and end up stopping a robbery.

- In this chapter, and the previous, has a problem been introduced? What is it and how has this been introduced?
- Are all the characters behaving in the same way? Which ones have changed and how?
- Has the setting changed? How does this fit in with the plot?
- Are there clear links with earlier parts of the story? What are they? Think about words and actions.
- Does the writer suggest what is to come? How?

With a partner, plan and act out an interview with the author. Base your interview on the questions above and how the book has changed over the chapters in the middle of the book.
