Guided Reading Resource 6 – Setting and Atmosphere (See images)

Chapter 6 – Finding the Treasure: Alexander finds the missing pod but so does Mihai and the OSS.

- Draw a map of the setting for this chapter. Label it and add descriptions for the places. Try to be as accurate as possible and add anything to your map that what you think is missing.
- Use your map and imagine taking a holiday in this area of the world. Explain why you would (or wouldn't) like to have a holiday there.

Work in a group of four. Can you picture what is happening? Can you describe these images to the others in your group? Are your visions different to other readers'? (Use your map)

What do you think has been found? Do you think it is empty? If you think it contains/contained something, what do you think it contains/contained? Discuss these in your group?
