Guided Reading Resource 7 – Character (Pass comments)

Chapter 7 – Turbulence: Eric and Ursula travel by plane to Prague and upset the other passengers.

- For Eric and Ursula, write down three good things and three bad things about each character.
- During the flight, Eric gets a dirty pushed into his face by Ursula. Did he deserve this? Was Ursula right to 'attack' Eric? Why do you think this?

During the chapter Eric says, *"Don't worry, it is still a better meal than mummy and daddy..."* This is the point when Ursula has had enough and reacts. What do you think Ursula could say that would make Eric very angry and react? **Discuss this with two other people**

In your **group of three**, act out a made up scene during which Eric and Ursula are arguing again. Remember to make comments that would make the other character react. Be sure to mention the 'three bad things' about each character that you have already listed above. The third person in your group is a judge. The judge must rule on who he/she thinks is the better person .– Eric or Ursula?
